

--MISSION STATEMENT--

The mission of the Rea Valley Fire Protection District is to perform its designated purpose of managing and equipping its fire stations for the primary purpose of providing fire protection of buildings, structures, and other man made improvements. To support our volunteers who dedicate their time for training, firefighting, rescue and medical aid.

--VALUE STATEMENT---

The board of commissioners, fire chief and volunteers of the Rea Valley Fire Protection District will be accountable to each other and for decisions affecting the community we serve. We strive for honesty, fairness and maintaining trustworthy relationships.
